

ResiXperts Announces Partnership with AirTime Cooling & Heating

ResiXperts, a leading residential services company in the Southwest US, is pleased to announce its partnership with AirTime Cooling & Heating, a respected heating and cooling services provider with 18 years of experience operating in the greater Phoenix metropolitan area.

John Joseph, CEO of ResiXperts, said, "We are thrilled to acquire AirTime Cooling & Heating. The quality of the company and is evident by its industry-leading customer reviews and the strong team they have built. We look forward to working with the AirTime team to invest in and grow the business."

"Partnering with ResiXperts is an exciting opportunity for us. We liked ResiXperts and FoW Partners' focus on building career opportunities for our employees and strengthening job security and benefits. The transition has been smooth and beneficial for our business and for employees," said Brian Boyer, founder of AirTime Cooling & Heating.

This strategic acquisition will strengthen ResiXperts position as a leader in residential services and will enhance its ability to provide seamless and efficient services to homeowners across the Southwest region. ResiXperts will continue to partner with strong companies in our industry in the Southwest US.
